## Preferences

Please note that in Labradoodles gender plays little to no role in their temperament. If you value the right temperament over gender & color, please try to remain flexible on everything else to ensure we can place the perfect temperament in your family.

What sex would you prefer? \_\_\_\_\_

Do you have a color preference? \_\_\_\_\_  
Generally speaking, what kind of temperament are you looking for?  
\_\_\_\_\_

Do you have any other preferences? \_\_\_\_\_

List the qualities that appeal to you about the doodle type that you are requesting: \_\_\_\_\_

Please note that while your preferences will most certainly be considered, the litters conceived will dictate what is available. While we cannot guarantee that all of your preferences will be available we will try to match as many as possible with a puppy that we feel will also be a good fit for your family.

## Warranty

We want to do everything in our power to ensure our puppies are as healthy as possible. To reach this goal we will only breed our dogs once they have completed, and done well on, all their health testing.

We will only breed our dogs if we are certain they are happy and healthy. We will gladly show you your puppy's parents' health testing results. We welcome any and all comments or questions!

## Our Warranty

Health is extremely important to us. We are sure your new family member will enter your family with a wonderful temperament and a clean bill of health. We will be here for questions or comments for the lifetime of your dog. Your new puppy comes with a two year warranty against any life threatening genetic conditions.

Our dogs mean the world to us. We will gladly take any of our dogs back if at ANYTIME they need a new home. We will always be here for our dogs and their new families.

## Hidden Springs Labradoodle Health Warranty

1. **Breeder's Responsibility:**
2. The Breeder guarantees the puppy is in good health at the time of delivery. The Buyer has three days to take the puppy into a veterinarian for an examination. If the puppy is found to be of poor health the Buyer has the option of returning the puppy to the Breeder for a full refund or keeping the puppy and the Breeder will reimburse for all veterinary costs, up to the purchase price, related to the pre-existing condition.
3. The Breeder provides a warranty for 2 years after the date of birth against any serious genetic disorder that affects the dog's quality of life. Should a serious genetic disorder be discovered, the Breeder will offer a replacement puppy from the next available litter or refund the original purchase price (breeder's choice). Your puppy does not need to be returned to us. All veterinary records must be supplied to the Breeder. In the case of HD the Buyer must provide documentation from PennHIP or OFA. In the case of cataracts or PRA the Buyer must provide documentation from a veterinary ophthalmologist.
4. The Breeder reserves the right, at the Breeder's expense, to have the dog checked by a veterinarian of the Breeder's choice before offering a replacement puppy or refund.

## Buyer's Responsibility:

1. The Buyer will provide the dog a caring and loving home.
2. The Buyer will take the dog to a veterinarian for an annual check-up and all preventative treatment recommended by the veterinarian will be followed.
3. The Buyer will take the dog to either group or private training classes by the time the dog is five months of age. We recommend that professional classes start within the first week that your new puppy joins your family and continue for the first year of your dog's life.

4. The Australian Labradoodle requires socialization outside the home during the first month that it is home. Socialization is key to your dog's mental stability.
5. The Buyer will feed the dog only a premium quality dog food. Pet food sold in grocery stores does not constitute a premium pet food and are often recalled.
6. The Buyer will not allow the dog to become overweight or allow repetitive, rigorous exercise during the first year of development.
7. The Buyer will return the dog to the Breeder immediately if the Buyer can no longer look after the dog at ANY point during the dog's life.
